
Lord Barkwith Cfnm

You're the best cfnm lord barkwith player. Lord Barkwith has arrived. It's been awhile. That is where 'Lord' comes into the picture. And it's one of the best lines I have ever had the pleasure of saying. Finally a line that can be said without crying. I just don't see why, some people have to be so cruel. But then again, we all have our favorites. You go into the foyer and hear voices already echoing off the walls. You look up just in time to see Lord Barkwith pointing a shotgun at your head. He stands half a foot taller than you, dressed in heavy fabrics and wearing a 'WWII'-esque infantryman's hat. He tells you, 'Heh, heh, that wasn't a very good shot, Mark,' then adds, 'I'm not Lord Barkwith, it's just you will have a long and painful journey.' And that is when you start to laugh, you start to really laugh. For some reason, the idea of a really long painful journey is funny. If Lord Barkwith was not there to see you laughing, he'd also be there to watch you as you blubber, struggling to get out of his shotgun. Your best friend, Luke is there to help. He's been dead two years. His last few months were both dark and strange. But it sounds as if he did his best to lighten up the situation. For some reason, no one ever believes him when he says, 'It's just you, Lord Barkwith.' Luke presses you down gently with his hand, between your legs. It might not be the most comfortable place but it's better than death. Luke tells you how long you've been alive, roughly, then says, 'You should be thanking him.' Your body starts to tremble in laughter. That momentary laughter washes away the pain and when you die, you see Luke lying dead on the floor next to you. Just on the other side of the room, Lord Barkwith is laughing, the most happiest-looking man you've ever seen. He isn't even smiling, he
